- Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender with transformer capacity not less than 80% of individual capacity of the Transformer proposed in the NIT.

OR

- Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender with transformer capacity not less than 80% of individual capacity of the Transformer proposed in the NIT.

OR

- One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender with transformer capacity not less than 80% of individual capacity of the Transformer proposed in the NIT.

## **2.2 DG SETS:-**

The Contractors satisfying the following conditions:

2.2.1 Average annual turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost put to tender.

**AND**

2.2.2 BSNL enlisted contractors in Electrical category of respective class as per their tendering limits.

**OR**

2.2.3 BSNL CO (Electrical) approved Engine manufacturer with the approved capacity of engine not less than the DG set capacity proposed in the NIT.

**OR**

2.2.4 OEM authorized by BSNL CO (Electrical) approved Engine manufacturer with the approved capacity of engine not less than the DG set capacity proposed in the NIT. The letter of Authorization in Original from the Engine manufacturer will have to be produced by the OEMs.

**OR**

2.2.5 Experience of having successfully completed similar works in Central Government /State Government /Central Autonomous Body/Central Public sector Undertaking during last 7 years ending last day of month previous to the one in which applications are invited should be either of the following :-

➤ Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender with DG set capacity not less than 80% of individual capacity of the DG set proposed in the NIT.

**OR**

➤ Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender with DG set capacity not less than 80% of individual capacity of the DG set proposed in the NIT.

**OR**

➤ One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender with DG set capacity not less than 80% of individual capacity of the DG set proposed in the NIT.

### **2.3 HVAC AND PACKAGE (HIGH SENSIBLE/PRECISION)AC UNITS :**

The Contractors satisfying the following conditions:

2.3.1 Average annual turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost put to tender.

AND

2.3.2 BSNL CO (Electrical) approved Package AC Manufacturer.

OR

2.3.3 The dealer authorized by BSNL CO (Electrical) approved Package AC Manufacturers. The letter of Authorization in Original from the manufacturer will have to be produced by the dealers.

OR

2.3.4 Experience of having successfully completed similar works in Central Government/State Government /Central Autonomous Body/Central Public sector Undertaking during last 7 years ending last day of month previous to the one in which applications are invited should be either of the following :-

➤ Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender with Central/Package AC Plant with equipment Module not less than 80% of individual capacity of the Central/Package AC Plant proposed in the NIT.

OR

➤ Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender with Central/Package AC Plant with equipment Module not less than 80% of individual capacity of the Central/Package AC Plant proposed in the NIT.

OR

➤ One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender with Central/Package AC Plant with equipment Module not less than 80% of individual capacity of the Central/Package AC Plant proposed in the NIT.

**2.4 AUTOMATIC FIRE DETECTION /ALARM/SUPPRESSION/FIRE FIGHTING SYSTEMS :**

The Contractors satisfying the following conditions:

2.4.1 Average annual turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost put to tender.

AND

2.4.2 Experience of having successfully completed similar works in Central Government /State Government /Central Autonomous Body/Central Public sector Undertaking during last 7 years ending last day of month previous to the one in which applications are invited ,should be either of the following :

➤ Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender.

OR

➤ Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender.

OR

➤ One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender.

**2.5 LIFTS:**

The Contractors satisfying the following conditions:

2.5.1 The lift manufacturer of the makes proposed in the NIT.

OR

2.5.2 The dealer authorized by lift manufacturer of the makes proposed in the NIT. The letter of authorization in original from the lift manufacturer will be produced by the dealer.

**3.0 COMPREHENSIVE MAINTENANCE AND OPERATION OF EMS:**

The Contractors satisfying the following conditions:

3.1 Average annual turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost put to tender.

AND

3.2 BSNL enlisted contractors in Electrical category of respective class as per their tendering limits.

OR

3.3 Experience of having successfully completed similar works in BSNL comprising of either substation or airconditioning service as part of scope of work during last 7 years ending last day of month previous to the one in which applications are invited, should be either of the following :

- Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender.  
OR
- Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender.  
OR
- One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender.

**NOTE:** The estimated cost of one year shall be considered to evaluate the eligibility criteria.

**4.0 COMPREHENSIVE MAINTENANCE/AMC/REPAIRS OF SPECIALISED SERVICES:**

The Contractors satisfying the following conditions:

4.1 Average annual turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost put to tender.

AND

4.2 The manufacturer or their authorized service dealer. The letter of authorization in original from the manufacturer will be produced by the dealer.

OR

4.3 Experience of having successfully completed similar works in BSNL during last 7 years ending last day of month previous to the one in which applications are invited, should be either of the following :

- Three similar successfully completed works costing not less than the amount equal to 40% of the estimated cost put to tender.  
OR
- Two similar successfully completed works costing not less than the amount equal to 60% of the estimated cost put to tender.  
OR
- One similar successfully completed work costing not less than the amount equal to 80% of the estimated cost put to tender.
